Feast of the Conversion of Paul, Apostle

## Feast of the Conversion of Paul, Apostle

*Fill in the blanks using the words at the bottom of the page.*

On January 25 we celebrate the Feast of the \_\_\_\_\_ of Saint Paul. Saint Paul was born in \_\_\_\_\_, and to begin with his name was \_\_\_\_\_. He didn't like Christians, so he \_\_\_\_\_ them.

One day, Saul was on the road to \_\_\_\_\_, when he was \_\_\_\_\_ by a bright light. He heard the voice of the risen \_\_\_\_\_ speak to him. Saul changed his life. He became known as Paul. He became a \_\_\_\_\_ and traveled around spreading the good news of Jesus. He brought this good news to people who were not Jewish. These people are called \_\_\_\_\_.

On his journeys, Saint Paul founded \_\_\_\_\_. When he couldn't be with the people in these communities, he wrote them letters, or \_\_\_\_\_. These letters are the earliest written accounts we have about Jesus' good news in our Bible. We often hear these letters as the \_\_\_\_\_ reading at Sunday Mass.

Saint Paul knew some of the original followers of Jesus, including Saint \_\_\_\_\_. On \_\_\_\_\_ we celebrate the feast of these two men. Saint Paul was eventually put to death for witnessing to Jesus. He was a \_\_\_\_\_, dying for his faith.
